

Basel, Switzerland – 10th February 2017

Bilcare Research AG relocates headquarters

Bilcare Research AG announces its movement into new corporate offices from Allschwil (Baselland, CH) to Basel (Basel-City, CH) beginning of February 2017.

The new, representative office is located in „Stücki-Business Park“, Hochbergerstrasse 60B in Basel in close proximity to companies from the pharmaceutical and medical-device industry. The new facility is optimally connected to all major transport routes in the border triangle of Switzerland, France and Germany.

From 13th February 2017 the spaciouly, pleasant and light-flooded premises offer the best conditions to meet the growing tasks and challenges for Bilcare Research.

„By moving into new, generous premises we are not only well positioned for further growth, but also offer our employees an attractive working environment. The relocation is an investment in the future.“ says Thorsten Kühn, CEO of Bilcare Research AG.
