**Bilcare Research achieved Gold Status from EcoVadis for „Corporate Social Responsibility (CSR)“ for second time in a row**

Bilcare Research GmbH had recently rated its corporate responsibility by EcoVadis for the second time and performed above average in all major core areas: environment, labor practices, fair business practices as well as responsible and sustainable procurement. Especially in the key areas environment and sustainable procurement Bilcare Research GmbH achieved an outstanding result, which puts the company in the leading position of the industry sector “production of plastic materials” and makes the company part of the top 2% of all top scorers ever evaluated by EcoVadis.

Detailed results are available on the internet proving Bilcare Research GmbH’s high score in all categories resulting in a top ranking position among the producers of plastics.

Globally, more than 30,000 companies use EcoVadis to reduce risk, drive innovation and foster transparency and trust between trading partners.

Combining People, Process and Platform, EcoVadis has developed the industry-leading team, innovative technology, and a unique CSR assessment methodology that covers 150 purchasing categories, 110 countries, and 21 CSR indicators.

EcoVadis operates the first collaborative platform providing supplier sustainability ratings for global supply chains. With a focus on maintaining quality and integrity, EcoVadis has managed to also grown quickly to meet this increasing need.

„One of our company’s key principles is sustainability. The new EcoVadis Gold Status shows us that we are making good progress with our measures. We are very proud to receive it.“ says Andreas Pfefferle, Managing Director of Bilcare Research GmbH.
